

If you like your Blues on Fire rocking, swinging slow and emotionally-charged, played across a mix of modern and reworked classics, then you are sure to love this band. A vocal, guitar and keys driven 5 piece delivered with passion and great musicianship.

BLUES on FIRE

Collectively known as Blues on Fire, Eve, Ed, Neil, Tom and Mark have been around for a while playing gigs from clubs to pubs and festivals to parties, gaining ground and plenty of appreciation along the way.
